

ELEVATE YOUR MUSICAL JOURNEY WITH SUPPORT FROM THE FRIENDS OF THE SCHOOL OF MUSIC ANU

Opportunities available for School of Music students to help enrich your university experience

ABOUT THE FRIENDS

The Friends of the School of Music ANU is a nonprofit association which offers practical and financial support to students at the School of Music. We support musical endeavours both within the School and in the Canberra community, and enrich the opportunities available to students through grants, prizes and scholarships.

WHAT'S ON OFFER

Each year we offer an array of opportunities to School of Music students. These include:

- the **Friends Student Grants** assist students with their music education.
- the **Performance Travel Grant** supports travel costs for performance students to attend their instrumental lessons if a suitable teacher is not available in Canberra.
- the **Fankhauser Travelling Fellowship** supports students to attend or compete in national or international performance competitions, perform in festivals, undertake high-level performance training or perform in orchestras, ensembles or other music groups where selection is competitive.
- the **Christel Larko Music Award** supports students undertaking a program of study specialising in keyboard or voice and who demonstrate an outstanding level of musical ability and accomplishment.
- the **Music Enterprise Award** assists graduates and graduating students as young entrepreneurs to establish successful, sustainable businesses.
- the **Transition Award** assists students with the transition between formal study and a professional career in music.
